UNITED STATES ENVIRONMENTAL PROTECTION AGENCY

DATE: APR 29 1986

SUBJECT: 9:30 a.m. Meeting on 2/5/85 with Savannah Department of Sanitation concerning inactive landfills operated by Savannah.

FROM: Environmental Engineer

TO: File

Those present at meeting: Donald I. Hackney, Director of Sanitation Dept.
Bill Estes, Resource Management Administrator
Mike Poulos, Landfill Manager
Elizabeth Shaver, EPA
Camilla Bond Warren, EPA

I told the Sanitation Department personnel present that our purpose in coming to Savannah was to complete our inventory of potential hazardous waste sites in Georgia and the other southeastern states. I also told them that our statutory authority for our inquiry was RCRA 3012 and CERCLA. I discussed the ERRIS list with them and showed them the sites that were listed in Savannah and Chatham County. I also explained the cooperative agreement between EPA and Georgia EPD to evaluate ERRIS sites and newly discovered sites.

Mr. Hackney and Mr. Estes were concerned about our inquiry concerning the US Hwy 17 Landfill. They discussed the background of the landfill and adjoining unpermitted "industrial" site. They gave me copies of letters concerning the Clifton-M.C. Anderson property and their own US Hwy 17 site water-monitoring information. Mr. Estes said they were unable to monitor groundwater because the Clifton-Anderson property "problem" caused their fire-control wells at the US 17 site to go dry. I was also given an Engineering fact sheet on the US 17 site. They told me that the wells used for groundwater monitoring were originally fire-control wells, and they were still unoperable.

I asked Mr. Hackney and Mr. Estes about other possible industrial dumping sites. They knew of none except for the possibility of some promiscuous dumping that may have occurred at County landfills. I questioned them about the following sites in addition to the Savannah Municipal landfills at US Hwy 17 and Stiles Avenue:

1) Savannah City Landfill at Savannah Golf Club, 1661 E. President's St.: Mr. Poulos agreed to and later did take us to this site.

2) Clifton Equipment Rental on Hwy 21: Mr. Poulos told us this Clifton was involved with the site near US Hwy 17 site. He also agreed to take us by this site since it was near the Cherokee Hill Landfill.

3) Savannah Sanitary Landfill & Stiles and 37th Street.

4) Cherokee Hill Sanitary Landfill: Mr. Poulos agreed to take us to this site.
